17:30	P3 Deibel & MacKenzie
until 18:00	
19:30	<i>Dinner at Wenzel - Prager Bierstuben with „impulse talks“ by PhD/PD students</i>

wednesday 19.7.	
09:00	Tutorial/research talk René Janssen
10:00	P4 Shoae & Neher
10:30	P5 Herzig
11:00	<i>Coffee break and bilateral discussions</i>
11:30	P6 Stoll/Pietschmann/Herzog
12:00	P7 Zahn
12:30	<i>Lunch break at Mensa</i>
14:00	Tutorial/research talk Thomas Kirchartz
15:00	<i>Coffee break and bilateral discussions</i>
16:00	P8 Vaynzof → screencast
16:30	P9 Brabec & Li
until 17:00	
Optional:	
17:00	<i>lab tours Deibel, Zahn, Hübler</i>
19:00	<i>Dinner at Turm-Brauhaus (bring your own money ;)</i>

Notes:

That means, the project presentations incl discussion are up to 30 min. At this stage it probably makes sense to let the PIs present early results, planned tasks and specific ideas (or recap) for cooperation within P*PULAR. In later meetings, we will (also) let our PhD/PD students present, and will have poster sessions.
